James K. Robinson, MD, MS is a board certified OB/GYN who performs minimally invasive laparoscopic and hysteroscopic gynecologic procedures including myomectomy, pelvic prolapse repair, excision of endometriosis, and total and subtotal laparoscopic hysterectomy.

Dr. Robinson is an assistant professor of Obstetrics and Gynecology for The George Washington University School of Medicine. His clinical interests are in dysfunctional uterine bleeding, fibroids, pelvic floor prolapse and urinary incontinence, and chronic pelvic pain.

Dr. Robinson has presented at major national meetings including the American Association of Gynecologic Laparoscopists (AAGL), and the Association of Professors of Gynecology and Obstetrics (APGO). He has been awarded numerous honors including the Jay M. Cooper, MD Endowed

Award for best Fellowship Paper in Minimally Invasive Surgery and the Golden Hysteroscope Award for Best Hysteroscopy Paper, both presented nationally by the AAGL. He has published in major medical journals and has professional interests in gynecologic endoscopy, resident surgical education and surgical simulation.

Dr. Robinson completed his fellowship in Gynecologic Endoscopy at Newton-Wellesley Hospital's Minimally Invasive Gynecologic Surgery Center in Newton, MA and his residency in obstetrics and gynecology at the University of Wisconsin Hospital and Clinics. He graduated from the Medical College of Wisconsin after completing a Master of Science degree in Education at Mankato State University. Dr. Robinson earned his undergraduate Bachelor of Science degree from the University of Wisconsin.
